NOTICE OF INTENDED APPLICATION OF A LICENCE FOR GENERATION AND SALE OF ELECTRICITY

The Electricity Regulatory Authority has under section 29 of the Electricity Act 1999, Chapter 145 of the Laws of the Republic of Uganda (2000) received a notification for intended application for a licence from Electro-Maxx (U) Ltd for the generation and sale of electricity.

Electro-Maxx (U) Ltd intends to design and install a Hydro Power Plant of approximately 5.5 MW at Ishasha, Ishasha River in Kirima Sub-county of Kanungu District. The project will also include local distribution in areas of Rukungiri and Kanungu that are currently not served by the grid, as well as selling the excess power to the National Grid. The developer shall build, own and operate the hydro power plant.

All interested persons especially those in the project area are invited to review the details of the intended project from the following address below:

The Electricity Regulatory Authority has under section 29 of the Electricity Act 1999, Chapter 145 of the Laws of the Republic of Uganda (2000) received a notification for intended application for a licence from Electro-Maxx (U) Ltd for the generation and sale of electricity.

Electro-Maxx (U) Ltd intends to build, commission, own and operate a thermal generation power plant of 50MW initial capacity. The proposed location is at Mutundwe Substation for Uganda Electricity Transmission Company Ltd (UETCL) or any other site in Kampala.

The thermal plant will use heavy fuel oil (HFO), and generate power for supply into the national grid with the agreement of UETCL. The power plant will be using medium speed HFO engines, and the generating capacity could subsequently be increased to 200MW subject to demand and developments in the hydro-power generation at other sites elsewhere.

All interested persons are invited to review the details of the intended project from the following address below:
