Uganda Revenue Authority

DOMESTIC TAXES DEPARTMENT PUBLIC NOTICE

PRACTICE NOTES ISSUED UNDER SECTION 79 OF THE VAT ACT, CAP 349

URA/VAT/PN 3/08

The Commissioner General of Uganda Revenue Authority hereby issues these practice notes under section 79 of the VAT Act, Cap 349 for the guidance of the taxpayers and the officers of URA.

VAT TREATMENT OF SUPPLY OF GOODS AS PART OF THE TRANSFER OF A BUSINESS AS A GOING CONCERN

Paragraph 1(k) of the second schedule of the VAT Act provides that, "the supply of goods as part of the transfer of a business as a going concern by one taxable person to another taxable person is exempt."

The "transfer of going concern" is defined in paragraph 2 (e) of the second schedule to include "the disposal of any part of a business which is capable of separate operation." However, this definition is not sufficient in explaining what a sale of a business as a going concern entails.

The purpose of this practice note therefore, is to clarify what constitutes the supply of goods as part of the transfer of a business as a going concern for purposes of section 19 and paragraph 1 (k) of Schedule II of the VAT ACT, Cap 349.

The supply is VAT exempt if all of the following requirements are met:

1. The supplier disposes of any part of a business which is capable of separate operation (for example a branch of a business).
2. Both the seller and the buyer must be registered as taxable persons for VAT.
3. The Agreement of Sale which should be duly executed must make it absolutely clear that the property is a whole or part of the Seller's business which is being sold as a going concern.

4. Activities of the business must continue after the business is transferred to the purchaser for at least two (2) years.

5. The supplier supplies to the recipient all of the facilities that are necessary for the continued operation of the enterprise being sold. This may include premises, plant & equipment, stock in trade, intangible assets such as goodwill, contacts and licenses, and all the operating structure and process of the enterprise.

6. The supplier carries on or will carry on the business until the day of the supply (whether or not as a part of a larger business carried on by the supplier) and that the nature of the business will not change after the transaction.

7. The transferor and transferee shall within 21 days of the transfer, notify the Commissioner General in writing of the details of the transfer in accordance with section 19 (2) of the VAT Act, Cap. 349.

Note: A mere disposal of an asset used by the business is not a supply of a going concern.

ALLEN KAGINA (MRS.),
Commissioner General.
